I would enjoy being a cultural representative through the city to improve promotion of life enriching cultural/arts events for the citizens of Santa Clara and beyond city limits.

A problem this year is that the 'Art in the Air' Banners are too high on El Camino Real. Hard to see for driving & walking public. On city Channel 15, next year artist could briefly talk about thier work so

Any other information which you feel would be useful to the City Council in reviewing your application:

Currently I am participating in Santa Clara's 'Art in the Air' Banner display on El Camino. viewers at home can better appreciate the art personally.

I'm an avid dance and music fan and would like to help support Santa Clara's rich and vibrant artistic in the most direct way I can; with my time and energy. The work the Cultural Advisory Commission undertakes is of vital importance to the continued diverse and enriching artistic programs that help make our city such a wonderful place to live. I would consider it a great honor to be given the privilege of serving my community in a capacity so near my heart. I serve as an elected member of my daughter's parent teacher association at the Don Callejon School and would also like to work toward better integration of the city's cultural programs with our schools and children.

I'm a Bay Area Native, a life long resident, and have been here in Santa Clara for almost four years.
I appreciate everything the Bay Area and Santa Clara specifically have to offer their residents.
I would like to be a part of making Santa Clara the best place to live through direct involvement.
